

# MINOR INJURIES PROCEDURE

## ALWAYS REMEMBER:

- DO NOT TOUCH OR SPEAK CLOSE TO THE WOUND;
- DO NOT USE COTTON (its fibers can infect the wound);
- DO NOT USE ALCOHOL (it burns the edges and complicates the suture);
- DO NOT APPLY CREAMS OR OINMENTS WITH ANTIBIOTICS.DO NOT SEARCH WITHIN THE WOUND, OR REMOVE NAILED OBJECTS (they will be immobilized if possible);
- DO NOT SCRATCH OR CLEAN CLOTS. THE USE OF OXYGENATED WATER IS RESTRICTED TO ITS CAPACITY AS HOMEOSTASIC (stop bleeding).
